

Donaghys Ram Crayons

Donaghys Ram Crayons are a well recognised market leader. Designed and manufactured in New Zealand, Donaghys Ram Crayons have provided generations of farmers with the best performing Ram Crayon in the field, a tradition that continues today.

- Designed for use in conjunction with Donaghys Ram Harnesses
- Fully scourable, meeting all the requirements of the MAF wool scourability tests
- Available in green, blue, orange, red and yellow
- Available in soft or medium
- Each crayon is individually blister packed in a tray of 5
- A single crayon is designed to last two weeks, however, the amount of wear will be governed by such factors as the length of the wool, the temperature and number of ewes served
- The durability of the crayon marks, with the longest lasting colour first, is as follows: green, blue, orange, red, yellow

Directions for Use

- Slide the crayon into the holder (narrow end first)
- Slide holding clip into position and the harness is now ready for use
- To remove the crayon, simply flick holding clip out with a screwdriver or pocket knife and slide the used crayon out
- Crayons must be checked regularly
